NFIX CHAMPIONSHIP REGULATIONS

HANDBOOK

General Regulations

- **NFix is a wooden puzzle set consisting of four uniquely shaped and coloured pieces.**
- **All four pieces must be used to decode every shape.**
- **All pieces must lie flat, must touch each other, and must not overlap.**
- **Participants will decode as many shapes as possible within the 5-minute time limit.**
- **Winners will be ranked by:
Maximum correctly decoded shapes.
(Fastest time in case of a tie)**

Puzzle Set & Resources

- **Each participant will be provided one standard NFix puzzle set (4 pieces).**
- **30 shapes will be given on 15 double-sided sheets.**
- **Sheets will remain with the arbiter and be given one at a time.**
- **A running timer must be used (digital/stopwatch/stackmat).**

Timer Rules & Attempt Guidelines

- **Timer must be started before attempting the first shape.**
- **Total time allotted: 5 minutes.**
- **Only shapes completed within the time limit will be counted.**
- **After each completed shape, participants must get it verified by the arbiter before moving to the next sheet.**

NFIX Sheet Regulations

- **Shapes are printed on 15 double-sided sheets (30 shapes total).**
- **Sheets are provided sequentially after verification of each attempt.**
- **Sheets must be returned immediately after completion.**
- **Participants must not fold, mark, damage, or alter the sheets.**

Verification & Results

- **The Arbiter will verify each decoded shape, Maintain the total count of completed shapes and record early completion time (if applicable).**
- **Awards:
Top 3 participants (per age group) will receive trophies.**

Fair Play & Participant Conduct

- **Participants must follow all instructions given by the arbiter.**
- **No external help, coaching, signalling, or hints is allowed.**
- **Participants must maintain honesty, fairness, respect, and sportsmanlike behaviour.**
- **Any misconduct may lead to immediate disqualification.**
